DAYCARE FAQs

FREQUENTLY ASKED QUESTIONS...

How much notice do I need to give to book my dog in?

You can book your dog in as late as 24hrs before the booking ie no later than 12am (midday) of the day before. We also have emergency places each day if the unthinkable happens. In those rare occasions, all you need to do is WhatsApp in to let us know you're on your way. No matter what – we have you covered

Do I have to book my dog in every week?

You can come as often or as little as you like. There is no membership fee – we offer complete flexibility to you... as it should be. We have clients that book a few days every week, then clients that book a day every couple of weeks. You are given the option to book to fit your schedule

Does it have to be the same day every week?

You can select any day you like. However, we do recommend a solid routine for your dog is very beneficial

Can I cancel my booking day?

Of course, we allow completely flexibility more than 24 hours in advance of your booking, login to the portal, cancel the day then rebook an ad hoc day

Do I have to pay monthly subscription or membership?

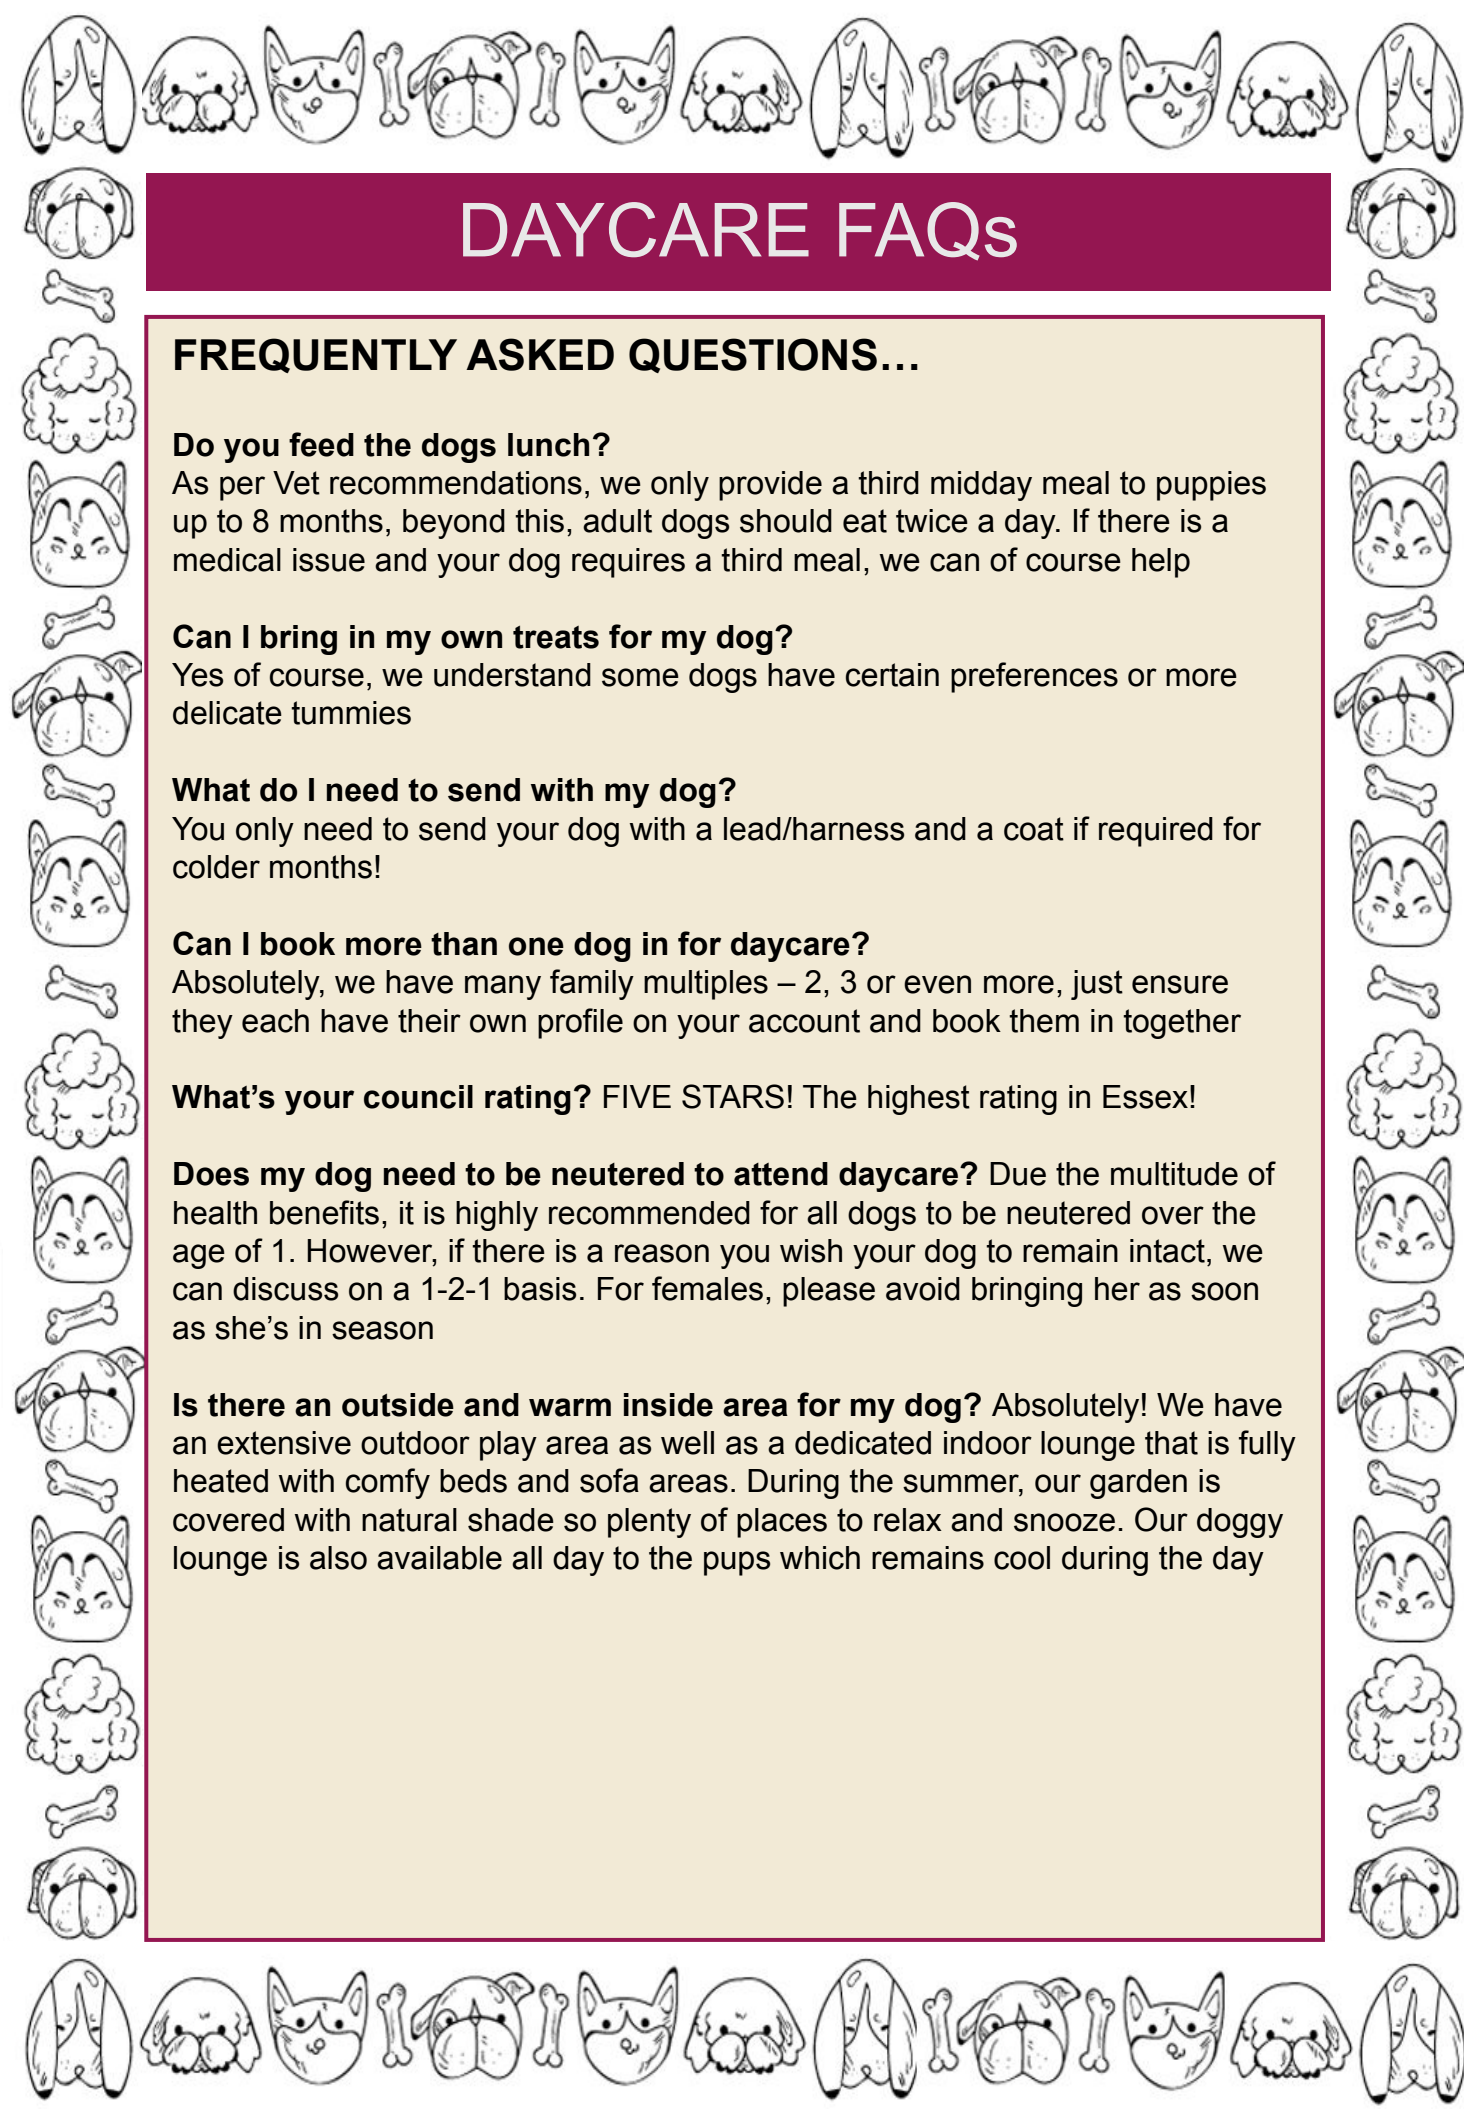

There is no hidden fees attached. Use us as frequently as you like – we're here to make your life easy

What size dogs do you accept?

We specialise in small breeds so accept dogs up to approximately 15 kg in weight, however if your dog is a small breed but a little heavier, please arrange a visit with us and we may be able to accept them

How many are there of you and what qualifications do you hold?

All our staff are qualified to either Level 2 or 3 Animal Management. Our team is currently 14 strong – ensuring a very low ration of dogs to human ratio. That means lots of extra care and attention (ball throws and kisses!!) throughout the day

DAYCARE FAQs

FREQUENTLY ASKED QUESTIONS...

Do you feed the dogs lunch?

As per Vet recommendations, we only provide a third midday meal to puppies up to 8 months, beyond this, adult dogs should eat twice a day. If there is a medical issue and your dog requires a third meal, we can of course help

Can I bring in my own treats for my dog?

Yes of course, we understand some dogs have certain preferences or more delicate tummies

What do I need to send with my dog?

You only need to send your dog with a lead/harness and a coat if required for colder months!

Can I book more than one dog in for daycare?

Absolutely, we have many family multiples – 2, 3 or even more, just ensure they each have their own profile on your account and book them in together

What's your council rating? FIVE STARS! The highest rating in Essex!

Does my dog need to be neutered to attend daycare? Due the multitude of health benefits, it is highly recommended for all dogs to be neutered over the age of 1. However, if there is a reason you wish your dog to remain intact, we can discuss on a 1-2-1 basis. For females, please avoid bringing her as soon as she's in season

Is there an outside and warm inside area for my dog? Absolutely! We have an extensive outdoor play area as well as a dedicated indoor lounge that is fully heated with comfy beds and sofa areas. During the summer, our garden is covered with natural shade so plenty of places to relax and snooze. Our doggy lounge is also available all day to the pups which remains cool during the day
