LITTLE DOGGY BOARDING

BOARDING IN THE *NEW* COSY BARN HOTEL

WELCOME TO LITTLE DOGGY DAYCARE'S NEW KENNEL-FREE BOARDING

At **Little Doggy Daycare Chelmsford**, we're proud to introduce our brand-new **barn-style dog boarding retreat** — a beautiful, **kennel-free haven** designed to feel just like home.

Set in a lovingly converted countryside barn, our boarding space is warm, calm, and filled with all the comforts your dog could wish for. Instead of traditional kennels, you'll find **sofas, soft rugs, and cozy dog beds**, creating a relaxed environment where every pup can feel safe, secure, and part of the family.

We believe dogs deserve comfort, not confinement. That's why our **open-plan, home-style boarding** allows plenty of space for social dogs to rest, play, and unwind in a stress-free setting. Whether your dog prefers curling up on the sofa, stretching out on a rug, or snoozing on their own bed, we make sure their stay feels familiar and peaceful.

We also understand that every dog is unique. **Owners are welcome to bring their own crates, blankets, or comfort items** to help make their dog's stay even more reassuring.

At Little Doggy Daycare, we've created a **home away from home** — a place where your dog can truly relax, surrounded by love, warmth, and gentle care.

BOARDING FAQs

FREQUENTLY ASKED QUESTIONS...

How much notice do I need to give to book my dog in?

For existing recurring clients, you can book in with as little as a week's notice, availability dependent!

For new dogs, a minimum of 3 months in advance in order to have attended the daycare for at least x6 sessions (at company discretion if they may need more/less) – this way we get to know your dog and them us in return!

How do I book and when is payment due?

To book, please submit a boarding booking request form to hello@thelittledoggydaycare.co.uk. You can request a booking form via WhatsApp or email. To confirm your booking, full payment is required. Payment is non-refundable due to the limited spaces available and advance bookings.

Can I change or cancel my booking?

Due to limited spaces and advance bookings, dates are fixed once payment is received. However, we will always try our best to accommodate any date changes if necessary.

What size dogs do you accept?

In line with our unique daycare format, we specialise in small breeds so accept dogs up to 15kg in weight, however if your dog is a small breed but a little heavier, please arrange a visit with us and we may be able to accept them.

How many are there of you and what qualifications do you hold?

All our staff are qualified to either Level 2 or 3 Animal Management. Our team is currently 14 strong – we maintain our human to dog ratio at nighttime as well as during the day!

What do I need to send with my dog?

Please ensure you send your dog with the food and treats they need for their stay, all our dogs have specific meal plans or brands, so we want to ensure we keep their mealtimes exactly the same!

Please also feel free to send any beloved blankets and favourite toy or even a crate if your dog likes to sleep in theirs at home!

Can I book more than one dog in for boarding?

Absolutely, we have many family multiples – 2, 3 or even more, just ensure they each have their own profile on your account and book them in together.

Does my male dog need to be neutered to board?

We kindly request that all male dogs over one year old are neutered. If your dog is not neutered for medical reasons, they may still be considered for boarding provided they do not display behaviours such as marking, mounting, fixation on other dogs (male or female), territorial tendencies, or aggression. During their initial time at daycare, our team will observe their behaviour to ensure they are suitable for our open, social environment. Once this assessment is complete and your dog is found to be a good fit, a boarding booking can then be confirmed.
